“ Dear Denny, Kathy and Ev:

Our thoughts and prayers go out to your family as you are grieving the loss of a wonderful lady. We could not of found a family that we were connected with for such a long time, including Ev being our sons first "boysitter" when they were elementary age. To put a smile on Ev's face now and remembering how the boys truly trusted their "boysitter" and even ate a little red pepper from Nancy's kitchen plant and Ev thought for sure he was going to kill the little guy.....ha...all survived. Denny, Nancy, Gary and Joanne all enjoyed going out to dinner and enjoyed meals at a restaurant on Michigan Avenue, truly wonderful memories with them while our four children were with each other, thinking they were all keeping out of mischief.....what delightful memories.

May God continue to be with you during this time of wonderful memories of family and friend functions. We know Nancy is now looking down on us remembering the good times together also....Blessings and hugs on you all...
