“ Nancy and I worked together at Dr Hochglaubr's office back in the mid 90's. She was so sweet to all the patients and was always available to answer any questions I had. She talked about her family all the time, she really enjoyed her sons and GL baseball. I'm so sorry to hear she has passed! She had a great smile and such a kind light. Condolences to her family.

Nancy and Ray were next door neighbors to my brother and sister-in-law when we all had young families. I ran into her several times over the years - she didn't change and never lost that gorgeous smile. She was loved by all who knew her and will be so missed. Prayers for her cherished family.
