“ I have so many memories of Aunt Nancy and Uncle Rual from childhood on. From riding horses with us to spending the holidays together with the family. My thoughts are too scattered to give details but she was always there throughout my life in one way or another. “ Nancy was my dear friend for years. We were instant friends when I started working at Fisher body with her, although I moved half across the country and then to Kansas city we still stayed in touch through the years and when I came to Michigan she would somehow get up to Alpena to see me. I’m so grateful to her son Mark he brought her to Alpena to visit me in June we shared a wonderful visit that I will always remember. I loved Nancy like a Mom and she thought of me as a second daughter. I will miss her so much. Lucy [Anderson]Reilly###imported-begin##Lucy [Anderson] Reilly###imported-end##
