“ *The Fourth of July is one of the best memories I have of you. It was the first night we really hung out. The first time I got to see how caring you truly were. The world lost a flame the day you left but our memories of you will make you immortal. I miss you buddy.*

“ *Nathan,*

The things I would do to hear your voice, hug you, and kiss you one last time. You weren't just a friend, there's no words to describe what you were to me. I am beyond blessed to have known you and shared so much with you. You had such a sweet and caring nature, I miss that and you. You will always have a part of my heart that no one will be able to claim. I love you to the stars and back, forever and always, my love.

“ Nathan,

You were my best friend, you still are my best friend. You have been dear to me since the day I met you in 6th grade. I love you more than anything and I would do anything to just hear your laugh or to just hug you one more time. I am so blessed to have been so close to you for 8 years. I do not regret a thing. What we had was special and I will never ever forget you. Everything I do will have a little bit of you in it. I love you. I miss you. I will see you again some day, Nathan Xander. Xoxoxo

“ *Nathan,
Very strange to sit by you in our Psych 200
class one week, and the next week you are
gone. Psych has not been the same nor will it
ever. From our small conversations to group
work, your contributions to life was much greater than your school
work. Today Prof. Wissink told us about your fatality and we all took
a moment of silence for you before our exam, buddy! Rest in Peace
and study hard up in Heaven!
(prayers and thoughts are with your family as well!)*

“ Tuesday night (10/15) I stopped at Meijer to get a few groceries and had the pleasure for the first time in the two years I have been going their to have the most politest, genuine young man with the BIGGEST grin offer to help me out to the car with all of my groceries. I was shocked. As you see, I was using a scooter and in the past two years have never been asked if I needed help out to my car. As this young man helped me with my cart out to the car, I explained to him that I had never had anyone offer to help me before and I was so impressed. His response, "Well mam, I have been working here for the past couple years; and I am sorry that I never had a chance before now to help you out." I now know, this young, kind hearted man was Nathan. I am so truly sorry for your loss and my thoughts go out to your family. I am sure you and everyone that knows Nathan knows that he was just doing his job and loved helping people out (hence, wanting to work as a MSP Canine handler). Everytime I stop by the store, I will always remember that huge grin. Godspeed young man!

“ *Judy, Vicki, Jacob and all of your family.....I have often seen Nathan at Meijers...pleasant and helpful. It has been a long time since I would drive Adam to visit Jacob....and Nathan was very young then....but it just hurts my heart to think of the loss to your family. May you be surrounded by the love of friends and family during this very difficult time.*

“ I worked with Nate at Meijer. He was a good hearted young man! He was always pleasant and he had a natural knack of being able to make others laugh. I was always glad to see him, especially because he made my shifts more complete.

I extend my condolences to his family, friends and to the many others who will miss him greatly! Nate was a blessing to all who knew him-on a small and/or large scale.

“ I will think about this young man every time I go to Meijers. Nathan always found the time to come up to me and say "Hi grandpa, how are you doing? How is gram doing?" It made me feel great that this young man was proud of his grandpa. He would always tell his co-workers "This is my grandpa". Nathan was always a very considerate young man, and he always had that great big smile. He will be missed. Grandpa Ockert

“ *Vikki, Stacey, Alyssa and Darcie and family...Nathan was a great person. always had smile on his face...putting smiles on everyone faces he talked to. He had a gift for making everyone happy. I have many great memories of Nate, from first meeting your family 7 years ago and giving him an extra cookie to walking in the Parking lot and making jokes with him. Your family is in my prayers and my thoughts. Lots of love and God bless you in this difficult time.*
