“Nathan spent so much time with us in his younger days. He always made me laugh. His life was so short. Love

“Condolences to Nathen's mother as she mourns for her son. When she expressed losing her son, her friend, her confidant and told me to go on in and tell the news to our son... I hope everyone who was involved in Nathen's life will provide the comfort she needs. I'm sorry the continuous chaos has me at a loss for words, but one day I hope to find the right ones to say to our son. :(Rest in PEACE,
Day-Bird

“Nathen was our manager at Playtime Billiards in Kalamazoo when we first opened. On top of being incredibly talented, Nathen was kind and genuine and made everyone feel welcome. My fondest memory is the way he could light up the whole room. His smile was infectious. He will be missed by all of us in the pool community. We send our love and prayers to Nathen's family and friends.
