“ Sending condolences to the family for the passing of their Mother, Neva Hokanson. She had a very long and memorable life for sure. She was a special person and was one heck of a cook. She will truly be missed.

“ Neva and I bowled together on a team at All Star Lanes for about 4 years. I was in high school when I started with the team and heard about all of her family. She treated me like one of her own and always had a smile a laugh, and a way of making everyone feel comfortable. She was a good lady, loved her family, and I was so fortunate to be part of her world. Blessings and prayers for your family.
