“ *Tinia, Terry, Cherri & Fred our thoughts are with you at this time. Great Aunt Ogreta will truly be missed by many. Her & her sister (Charlene, my grandmother) have been reunited to carry on the good times they shared. I can see the two of them now giggling & sharing stories of the past. May you & your families be blessed with the memories of your mother for years to come. As we will hold those memories we have of her in our hearts.*

“ *My sincere condolences to Shorty's family. My name is Dianne (Dennis) Mulnix. Shorty worked with my mother, Evelyn Dennis, at the Jet Plant. My mother enjoyed working with Shorty. I have a distant memory of Shorty's children but cannot recall names. I remember an older daughter and younger son, close to my age. I am 58 years old. We lost my mother 10 years ago this month. Seeing your mother's obituary is a comfort somehow knowing the "gals" are together again in heaven. I'll bet they will be cooking up a storm together and laughing about the good old days. Take comfort in your memories.*
