“ *The news of Phil's passing was a very sad moment for me. I worked with Phil for many years in Lansing before he retired. His energy and enthusiasm were always a welcome dose of how to live life, for others and not yourself. I appreciate the knowledge and wisdom I was able to glean from him over the years. I will miss our emails and exchange of political conversations and humorous jokes.*

*Sue,*

*Please accept my condolences, and know he is on our minds and in our prayers. The world is a bit more empty, without Phil, but heaven now has another angel to look after those he leaves behind, be at peace, and know you are truly loved.*
