“ Dear Lundberg FamilyI am so sorry to hear that your mother has died. What a SAINT she was! I have lots of wonderful memories not only growing up and hanging out at your house on Forest Ave., but more recent ones when we were neighbors on Balfour Dr. I know that's been awhile back but I use to visit with her and she would share stories with me, especially of how much she loved each and everyone of you. There was always a twinkle in her eye whenever she mentioned any one of you. She also spoke often of her grandchildren and what they meant to her. You now have another angel in heaven that I'm sure will look after all of you as she did here on earth. You are very blessed to have had such a wonderful mother. I pray that her faith in God and how she lived her life will serve as an example of how much she loved and respected you, her family. God Bless and keep you as you journey through this process of saying goodbye. You remain in my thoughts & prayers.Sincerely,Mary Sessions-Torok###imported-begin##Mary Sessions Torok###imported-end##
