“ So sorry to hear of Randy's passing. I went through grade school and high school with Randy and his mother used to baby sit for our family. I had a chance to catch up with Randy at our last high school reunion. Randy will be missed. Loved his laugh and sense of humor! Mark Castle.

“ *I worked with Randy in the early 2000's for about 3 years and thought he was one of the nicest people I had ever worked with. Even though we had our frequent battles about who was better, Michigan or MSU Volleyball, I truly thought he was the best. Even though I haven't worked with him in many years, I will always remember him and will miss him.*

“ *Randy will be missed. His kind nature, robust laugh, and insight made him a pleasure to work with. He did get a little owly once and lock us in a room until a decision could be reached. Randy loved his family and spoke fondly of them at each opportunity. I am sad! Karen my thoughts and prayers are with you and your family.*
