“ *To my best budzo you could have. Many many memories we had together both in Michigan and in Florida. One was the 1965 blue 442 convertible that burned as much oil as we could put into it and it ran like crazy, great oldsmobile engines. One other when he lived on the Orange Grove in Florida and I met a big dog in the pen, can't remember his name but was to be ferocious, and I sat in the pen petting him, they thought I was crazy, probably! The farm in Delta Mills another place we had many a great time together. To Gail, and all of the family, me deepest sympathies to all of you. I was going to come to Michigan, but I have the cold, not feeling good symptoms. I will truly miss a great friend and BUDZO RANDY. John Jessen*

Randy and I go back a lot of years like so many of his friends. And he had a lot of them. Randy was a kind soul, I never heard him say a bad word about anyone. Like most of us he wasn't perfect. His split from his family was hard on him as it was for his children. But he was always proud of his children and loved them very much. He "bragged" about them whenever we talked. He loved to laugh and had a good natured attitude. Even at the end, he came across like it was a beautiful day and everything was good. I loved him like a brother and will miss him.

“ *I'm sorry I can not be in Grand Ledge this Saturday to be with the loving McCloud family to honor Randy. If ever there was an accepting family, it is the McCloud family and I am proud to carry on the name. From the time I met Randy in 1982 before I married his brother, Mike, in 1983, until we saw each other a year ago, Randy was always good to me, always welcomed me, always made me feel at home. He was such a proud father and grandfather. I see his dad, brother, mother, step-mom, and others welcoming him to his eternal Home. With love to all,
Carol McCloud, Venice FL*
