“ Eric and Family
I am so sorry to hear about Becky. She and I visited one another about a week before her passing and I have try to call several times but no response. I sent Debbie Gill texts and called her but she never responded or answer. I heard rumors that she passed but I refused to believe it. This time it weighs heavy on my heart and I decided to google and this is how I found out. Our last visit at my house we talked about good times we shared. About the fun times I use to have just talking to Diane because we knew some same people and also she shared her hurt and love about Jay. She also shared some news about her son David who was in jail at the time and how she with he would get help with his attitude and behavior. She feared him. Sorry to say all this but I loved your sister and was a good friend and I hate I missed her memorial service. I will have family in prayer. Many God continue to bless you and your family because she loved you and your family very much. This is Leroy Scott. 517-455-4763 email: grandpalee1956@gmail.com

“ *A'Myah was her grand daughter not a great niece or nephew! My daughter A'Myah didn't even get invited to her grandmothers funeral. Rest her soul as I know this is not how she wanted things!*
