

Rebecca Lynn Landeros

November 26, 1965 - August 30, 2025

Rebecca Lynn Landeros, who was born on November 26, 1965, in Lansing, Michigan.

My mom lived a life that showed us what strength, dedication, and love truly looks like. She was a strong woman—sometimes tough when she needed to be—but her love was pure and unwavering. She gave her heart fully to the people she cared about, and she showed us all how much family truly means.

Throughout her life, she traveled to places like Tennessee, Kentucky, and Florida, but no matter where she went, her heart was always with her family. She loved deeply and cared fiercely, and even though she sometimes questioned how much we loved her, I want it to be known today that she loved more than she ever realized.

She leaves behind her husband, Vince Landeros, her father, Jnothan Ward, her two sisters, Krissy and Amy, her son, Donald Aseltine, and stepson little Vince her nieces and nephew, Shawna, Josh, Courtney, and Terry her 4 grandchildren, and so many more family and friends who loved her dearly.

My mom was also deeply dedicated to her work. She found purpose in her role as a security officer, and even though it was sometimes stressful, she truly loved her job. That dedication and responsibility reflected the way she

lived her entire life, always showing up, always protecting, always giving her best.

As we remember her today, let us hold onto the lessons she taught us: to be strong, to be committed, and above all, to love with a pure heart. Mom, we will carry your love with us always, and though you may no longer walk beside us, your spirit will forever guide us.

Rest in peace, Mom. You are loved more than words could ever say.

Celebration Of Life Services will be announced at a later date. Arrangements by the Holihan-Atkin-Barclay Funeral Home, Grand Ledge. Share your memories and condolences online at holihanatkin.com
