“ I always enjoyed our dear brother Mylander His love for God was so real. He had been a blessing. He loved his church and his country. Heaven is richer because of his passing. May God's Grace me with the family at this time.##imported-begin##James & Martha Bundy##imported-end##

“ Reuben was a good man! I saw him often during the last 11 years I worked in downtown Lansing...and I got to know him well while driving in and out of the parking lot where he worked on Townsend. I learned of his love for God and his family, and his dear wife Eunice. He always had something wise and profound to say, and I still have a few of the laminated cards he would hand out. If I was running late he would come out and put an orange cone in an empty space to save me a spot! I certainly enjoyed knowing him, and will miss his smiling face!! “ Reuben was an uncle to Bernie and the brother of his late mother, Geraldine Landazzi. When we attended, we would visit with Uncle Reuben and his family at reunions in Chicago and a few times in Michigan. For many years, Uncle Reuben would kindly remember and call Bernie on May 2 to wish him a Happy Birthday. Our deepest sympathy and love to the entire family, Aunt Eunice, Lois and Paul. May he now rest in perfect peace in the arms of the Lord.##imported-begin##bernie and carol pariseau##imported-end##

“ I met Mr. Mylander a few years ago while we were out walking the neighborhood. He spoke to me immediately, and we had a nice conversation. He pulled from his breast pocket a laminated card with words of encouragement on it. I have kept it close since that day. We bumped into each other a few more times. One time he shared his teary feelings about losing a loved one years and years ago. I believe the person was a brother. A wonderful man (as you all know) Mr. Mylander was. My deepest sympathy to all.##imported-begin##lavon martemucci##imported-end##
