“ Sympathy to the kebler family and God Bless you all. Dick was my friend for about 50 years but went to Church with him for 40 years and he was one of the most faithful folks I know there. Someday we will meet again in Heaven. My prayers go out to the family.##imported-begin##Kenneth D England##imported-end##

“ Uncle Dick will always be remembered by my family with love. We are very grateful for his support when my family lived in Colombia as well as his kindness towards my mother Eunice in her sickness. I will always remember his visit with lola to Puerto Rico to see my mother, and the image of lola holding my new born baby (Katia) in her arms.
