“ I have known Rick for over 50 years. Him and I were in a TV show called *Sing Lively*. We use to sit up all night and play *Rumicube*. He loved beating me. (Which wasn't often). So many memories of us playing and spending time together. Alex and Alana were the same age as my kids. I never got to meet Kathleen. I wish I could have. She sounds like a wonderful woman. I know she made Rick very happy. I am heart broken with his passing. Please know all of you are in our prayers and thoughts. From Cyndi (Them) Wine.

“ I want to extend my heartfelt and loving condolences to all of Rick's family, especially his wife Kathy. Rick fought the biggest fight of his life. My cousin and I were diagnosed with cancer in Dec 2014. I was fortunate enough to catch a stage 1 breast cancer. Rick was not so fortunate as his stage 4 Pancreatic cancer was so far advanced that aggressive treatment was needed. With Kathy by his side constantly the fight to survive was a miracle. Everyone was so blessed to have Rick and his talents for almost 5 more yrs. There comes a time when our lord and savior says "come with me and I will give you heavenly rest". Ricks time on this earth is finish but God has other plans in Heaven. I believe I hear the sound of a sax and harps and other instruments being played by all the angels. I will always love you Rick!!
