“ *Bob Bundt was one in a million. He and Lee were my parents best friends in Oscoda. After my mother died in 2001, Bob would visit my father, Ed Stoll, in an assisted living facility in East Tawas. They played cards, talked about the Detroit Tigers, and about friends from the Oscoda Baptist Church where they were both members. We couldn't get by to visit Ed very often, but Bob's visits meant that Ed had "family" nearby. Thanks to Bob and to Bob's family for sharing this wonderful man with us. He had a beautiful smile and was a truly great friend.*

“ *I was so very sorry to read of Mr. Bundt's passing. I worked with Bob many years ago at Huron Hardware in Oscoda. He was the most patient of men and I always remember him smiling and laughing. Please accept my sincere sympathies and my thoughts and prayers are with your entire family.*

“ Norma -

I would like for your family to know that I have been thinking of you guys every day since Friday. It was truly an honor to care for your dad and family during this difficult time. The love, patience, and comfort that you girls provided to your dad during his last couple of days truly touched my heart and soul. Please give your mom another hug for me and let her know that I am thinking about her every day. I could see how much your parents truly loved each other. Sending you my love and thoughts, and I wish you comfort and peace through this time and always. Love, Nikki - your dad's nurse
