“ *Darlene, Family, and Friends of "Bob". I was saddened to hear of Bob's passing. Bob was a faithful, dedicated, and Honorable public servant. And most of all, a friend to many. His presence, and willingness to help and support his community and fellow firefighters, was felt often. My thoughts and prayers will be with you as you grieve, but also we'll recognize the contributions Bob gave to us all.##imported-begin##Dan Southwell##imported-end##*

“ I always enjoyed Boomers' friendliness and laughter. He was a person who took the new staff under his wing and helped with What Ever Was Needed. He put up a good fight and will be missed by all who knew him. I am away on a bus trip for the college this weekend. I am going to try to make the viewing. My deepest condolences to the entire family. I know in my heart he is in a far better place now and he is making room for his family and friends.
