“ Grandpa, You may be gone physically but you will always be with me in spirit. I'm sorry that I didn't spend as much time with you as I should have, to let you get to know your grand kids (Jaylen & Victoria) a little more. My memories of you are the day we made homemade ice cream up at the cabin. Thank you for that memory! I love you! “ Larry'll miss the twinkle in your eyes and the grin you showed when others said hello to you. The world is a better place because it was blessed by such a precious soul. Although no words can really help ease the loss your family bares, just know that you are very close in every thought and prayer. My Deepest Condolence.##imported-begin##Arlene Baldwin - A Friend##imported-end##
