“Debbie and I have so many amazing memories of spending time with Lynn, especially when Lynn and Brenda would travel to Florida to see my grandparents (Brenda's parents), and we would meet them there. No one played a meaner game of dominoes or euchre than that crew! Lynn was always a great uncle to me, and he was always so generous and welcoming with everyone. Debbie and I will miss him! “Lynn joined us for coffee and laughs most every morning for a lot of years. He always had a good story or adventure to tell, and he was a fun, generous man. He will be greatly missed and long remembered by all of us at the coffee shop. Much sympathy and blessings for Lynn's family.

“Matt and Shannon, so sorry for the loss of your father. You probably don't remember me, but I used to babysit you when you were younger, when you lived by the trailer park. You're parents were always really nice. Keeping you in my thoughts and prayers during this difficult time.

“ He was a special guy that you could always count on. We graduated together a long time ago and crossed paths over the years. He was a good solid man and I'm sure his friends and family will miss him. God speed Robert and blessings to the family.
