“ Robin and I were besties in elementary school (Elmhurst Elementary). I am so sad to see that she has passed on. While we didn't remain close through our lives, I will always have the best childhood memories spent with her at the lake and our trip to Florida with her mom. Sorry for your loss...she was a gem. “ Pat,  
I was saddened to read of Robin's passing. My brother, Mike, always spoke fondly of her. I would sometimes stop at Diversions when it was on East Allegan Street in downtown Lansing on my lunch hour. She did amazing work...and was a true artist. I'm so sorry for your loss.

“ I'll always remember Robin from the summers spent at Lake St. Helen on Artesia Beach. Many wonderful memories growing up with all the kids up there, including Pam and Sandy. I'm so sorry for your loss.

“ My memory of my little sister, is our life. She was my favorite person I ever knew. She will live in my heart forever. To know her was to love her. We always had each other's back. We didn't always do a lot together, but we stayed close. She lived her life with integrity and was always funny. Even when things weren't funny. I'd do anything for her. I'll miss her until we meet again. Fly high Robby. 💕. Pam
