“ I only met Mr. Miller one time but he must have been a great man to have raised such a great person as Scott. I know he will be missed and there will be a hole that cannot be filled by anything but hope to meet him once again. I pray all can move smoothly to the next things God has prepared for us.

“ Scott and Patti,
Our prayers and thoughts are with you and your family during this time. As you know and surely have experienced again during this bump in life, that the Lord is good and gracious. May the Lord continue to bless and care for you.

“ Jon and I had the privilege of having Roland and Doris as our neighbors for four months. We are so very sad to see Roland leave us so quickly. We truly enjoyed his smiling face. I loved how Roland worked in his yard and kept it manicured so neatly. Jon said he finally found someone who mowed his lawn even more than me! I loved it!

It has been a pleasure to get to know Roland and Doris's children and grandchildren. To reconnet with Jeanette and Jordan and the kids, and to meet Scott and Patti and the boys has been truly a pleasure. They have become family to us as we shared these last two weeks of Rolands life. God weaves our lives together in different "seasons" and we have been honored to be a part of the Miller family during this time of both loss and celebration of Roland's life. We love you "Miller family" and pray for all of you as you face a new future without your husband, father and grandfather. You are a special famly. Love Debby and Jon Conroy
