“ I am a member of the Congregational Church and I knew Rollin from my association with him there. Rollin was a wonderful and hard working member of that church. He was on the Board of Trustees for many years and also served as the chair of that Board. Rollin was willing and able to perform any task that was asked of him at the church. He was regarded as "Mr. Fixit" there for many years. There didn't seem to be anything he couldn't build or repair. We have missed him and his spirit for many years and we mourn his passing this week. I will keep the family in my thoughts and prayers.##imported-begin##Bil Turner##imported-end##
