“ Ron always had a way about him that made you feel somehow special. He seemed to have a slight giggle in his voice when he talked, almost like he could break out into a his hearty laugh at any second. He gave me the feeling that he really liked me, and that endeared me to him. He's top notch. I told Laura that not only will he be headed straight to heaven, but that God was going to be making him one of his angels. This world sure could use more people like him.
