“ My condolences to Kathy and the family of Ron. Unfortunately I just found out today, Thursday, December 15th. I am without words expressing my grief. Ron was my barber for years and I followed him out to his home to continue. I was just about to call him when I got the news. He was a good friend and never had a bad word against anyone. I will miss my conversations with him and feeding treats to the horses. Rest in peace my friend.

“ My sincere condolences to the Thornton family at the passing of a terrific guy and a wonderful barber. Ron gave me my first haircut at the Campus Barber Shop in E. Lansing in the early 1960s. I followed him around to the other shops he worked at for years. Finally, he told me at his barbershop on Cryerts Rd, just before he closed, that I was his oldest customer!
My thoughts and prayers are with the entire Thornton family. May Ron rest in peace.

I met Ron 35 years ago and followed him around. It was great when he moved his shop home! Everytime I would get my hair cut my wife would so she could see Diego his horse. My hairs will never be the same. What a great person and human being he was.

Due to health I was unable to attend your funeral which really made me feel bad. But knowing Ron he would have said,an stay home and take care of your self. That's the kind of man he was.

It's so strange but I had a dream about Ron. I was in heaven and Ron was there sitting in a golf cart. He was turned in his seat with his arm on the back of the seat. He looked back, said I've been waiting for you. I said Ron not just yet said when I do cone to play ill even give you a mulligan. He looked at me and laughed in that laugh he has and said, up here you don't need one. I'll be waiting

Go to hit my second shot. See you when your ready. I'll be waiting. He just laughed and waved and drove off.

Never had so much fun playing golf as with Ron! Damn, I'll going to miss you my friend!!!! My heart feels so heavy. Ron, hit the hard and straight, keep the seat open for me as I'll be seeing you soon. Man will we have fun!! Love ya man!!

Your old buddy of 35 years

“ *Those haircut sessions with Ron not only made you look much better, they sent you on your way feeling better. That’s because he was always of good cheer and upbeat. As each visit unfolded it was downright refreshing to hear Ron share his enthusiasm on a potpourri of subjects, including sports in general, golf in particular plus his green-thumb accomplishments in gardening. “ *My heart goes out to Ron’s family. He was a great Christian and a really nice guy. I met Ron while he was putting up the sign outside his new shop on the corner of Creyts and St. Joe. He became my new barber. I always enjoyed going to his shop. If I remember correctly, that was at least 15 years ago. Ron will be missed by many. ❤️❤️❤️*

“ *It's unfortunate for us that wonderful people like Ron do not enter our lives as often as we would like. Ron started off as being my barber, we quickly became friends. I am a better person for having the opportunity to know Ron and call him a friend. I will miss you.*

I'm so sorry Kathy..... He was more than just a boss to me. He was also a good friend. I have many wonderful memories and funny stories I will continue to share. He certainly had a great sense of humor and was loved by many people. Be at peace, and let your family help you through this. As Christians we know he is in a better place....one we all long for. I smile when I think of what he and Bruce are up to now!
