“ So sorry for your family's loss. Kay, very sorry, we just heard today. I let mom know, she's also thinking of you. Whenever I go out to visit mom, and I pass by Rosemary's house, I remember the "old couch" I bought from Rosemary, for my very first house. The Leon Pitchford's are thinking of your family. “ Rosemary's Family,

Unfortunately, Ron & I are in Florida and cannot be there in person to offer our condolences in person.

She had a deep and abiding faith in God which was shown in her unconditional love, especialy for her family.

Her joy in life and fun-loving personality were infectious and contagious, and enriched our lives and all who knew her.

She will be missed, but we look forward to being with her again in heaven.

In sympathy,

Krinne & Ron Walsh

“ Joan My heart goes out to you and the family in the loss of your Mom. She was an energetic, involved and youthful lady with a warm and engaging personality...a pleasure to be around. She has been in my morning and evening prayers and we know she is where she wanted to be...at home with her Lord Jesus Christ. May your love and faith sustain you and members of your family in this time of grieving with the certain assurance that you will spend eternity together. God's blessings. Pat Berens

“ Another angel has been added to those above who look down on us everyday! Aunt Rosemary, was a peach. She was so sweet. I have many fond memories of visiting the farm as a little girl. What really stands out is the care and tenderness that she showed my mom, Annette, while she played beautician for mom, cutting her hair and giving her permanents. I remember always leaving with little thistles in my fingers, because I could never resist touching her cactus collection. I will always remember Aunt Rosemary for her big smile, giving personality, quick wit and warm heart. Yup, another Angel!
