“ I am very sorry to hear of Miss Ruth's passing. My name is also Ruth, and my grandfather, Richard Kirkpatrick, recently attended an auction selling many of her art supplies. I thought it would be nice for the Dumond family to know that a fellow aspiring artist has been touched many miles away by this woman's legacy. With the assorted art supplies brought to me all the way from Michigan, I am able to attend Virginia Commonwealth University's art foundation program and save a large sum of money often acquainted with art majors. I must say thank you to this family, and again I am very sorry for the loss of this wonderful woman. I know that both Ruth and God are looking down and her legacy lives on.

“ I just recently learned of Ruth's passing. My condolences to the family. I met her at a Plant Exchange in Grand Ledge and would often see her about town. She was a talented artist and had such a gentle spirit. May God provide comfort as you mourn.

“ Ruth was such a part of my growing up years at Sanford School and I have so many beautiful memories of those days! I ran into her at Meijers or around Grand Ledge every once in a while. Saw her just a couple of weeks ago and was so surprised and saddened at her death. Jim and John, it must be hard to lose your sister. I feel so bad that I didn't hear of Ruth's death until too late to go to her visitation and memorial service because I would have loved to give you two a huge. My sister Diane says to tell you the same.
