“ *Ruth was always such a sweet lady to me. I usually only really saw her at Trivia with her daughter and Son in Law (both friends of mine). She had a great sense of humor, and was very intent at doing her best to help the team win. From the first day that I met her I never heard her say an unkind word. She always seem to be smiling. She had a welcoming heart and very kind eyes and I for one am very glad I got to meet her, and know her. She is a blessing to many and will never be forgotten.*
