“ Sandy will always be loved and remembered by me and the kids as “Granny”. She was and will continue to be part of our lives with memories of laughter and smiles! She and the kids would get so excited as this time of year rolled around. No one could sew, knit and craft a Halloween Costume together like she could! Dan

“ For years I had the joy of working with Sandy when I was a therapist at Sparrow. Her bigger than life personality, spunkiest and laughter brought so much life to our department. It saddens me now to know that her earthly journey has ended. My prayers are with all of her family and dear friends at this time. May your memories of her always warm your heart and bring a smile to your face. Rest In Peace, Sandy. 🙏❤️
