“ I was unbelievably heartbroken by Sarah’s death. We worked very closely together for years and spent many hours outside of work creating memories I will carry with me forever. She was a genuinely kind, and caring person who left us way too soon. Love you Sarah, we will again someday, I will bring the ice cold Fountain Diet Coke

“ Sarah’s passing was unbelievably heartbreaking. We worked closely together for a long time and had an amazing friendship. She was incredibly special, a genuinely good and kind person, a sweet and thoughtful soul who left us too soon. Rest in peace my dear friend, we will sip on some ice-cold fountain diet coke when we meet again.

Prayers, thoughts and love go out to her family, and all who were blessed to know Sarah.
