

## Scott Alan Turner

December 21, 1966 - June 30, 2023

Scott Alan Turner of Lansing passed away June 30, 2023 at home surrounded by his loving family. Scott was born December 21, 1966 in Alma, Michigan to the late Terry Keith and Evelyn Rita (Moeggenborg) Turner. He graduated from Alma High School and proudly served his country in the United States Army. He worked as a truck driver. Scott enjoyed fishing and hunting and loved to spend time with his family, especially his grandkids. Scott was never one for small talk but could spend hours chatting about old Army stories that we all have heard numerous times.

Scott was usually a homebody but on occasion, he did get out and about, he would start talking to some stranger and befriend them. Boy oh boy could he talk their ear off and Bobbie Jo would have to say time and time again that it's time to go or to leave that person alone! They both would laugh and part ways but this would happen almost every time to some unsuspecting stranger.

Given the opportunity, Scott would try to scare you just to see your reaction, why - well because it was funny and he could reminisce and share the scared expression on your face with you as he's laughing hysterically until a tear or two came out.

He is survived by his wife of over 36 years, Bobbie Jo Turner (Mull), children: Ashley, Scott, and Courtney.

Ashley Turner has two children, Alexander and Ayden.

Scott Turner II and his wife, Shaina have two children, Milo and Evelyn.

Courtney Turner and her significant other, Seth DeMott.

His siblings: Bill (Sarah) Turner, Brian (Deeann) Turner, Teresa (Duane) Feiss, and Gary (Michelle) Turner.

A private family service will be held. Arrangements by the Holihan-Atkin-Barclay Funeral Home, Grand Ledge. Share your memories and condolences online at [www.holihanatkin.com](http://www.holihanatkin.com)
