“ *My sincere condolences. As I got more involved with JEG's IT Department over the last few years I was able to get to know Shaun. He was truly a nice, caring, conscientious man. I most of all enjoyed his dry humor and skill at his job. He will truly be missed by all of us at JEG, most of all our IT team.*

I am so sorry to hear of Shawn's passing. I have not seen him or talked to him in a few years, he was my nephew, stayed at my house, he and my son were about 19 at the time, I made both of them an Easter basket..I am happy to hear he was a fine young man. I am deeply sorry for his wife and children, please accept my condolences, I will keep you and your family in my thoughts and prayers.

“ You were one of the only people that I ever considered a friend without ever having saw your face. I'm so disheartened that this was the way I had to find out what you even looked like. You were SO funny, always willing to help whenever someone needed it, and ready for a good gif war back and forth while we waited for something to finish downloading. You were just an all around nice guy (with great comebacks, too). You will be extremely missed and I am genuinely heartbroken for your families loss. I wish your family all the peace they can find during this time.

“ My sincerest condolences to the entire Thornton family. Shaun was a stand up guy. He was the epitome of a team player, hard working, and always good for a laugh. He will be truly missed by all of us here at John E. Green, especially those of us who had the honor to work with him closely day to day. Love and prayers to all of those whose lives he touched.

Stacey, I am So deeply Sorry for your family's loss. I can not imagine what the last few days have been for all of you. I know you both as Fantom and Pony.:) It has been a pleasure to interact with you through our gaming community. I started as a fearful newbie and grew in confidence with the constant steady support you both provided. He was a Very Special man! The joy you both shared was obvious. Please know there are a Lot of people out there that wish you Love and support! God Bless!!! <3
