“ Grandma, you gave us something special no other could,
The unconditional love from a Grandmother’s heart.
You watched us grow up,
Some from babies to adults,
Always protecting us, advising us, and loving us.
You gave us so many memories...
From your coleslaw and apple salad to your sunglasses, brush, and
bonnet,
Cheering for us all, in our sports and interests.
Grandma you were always there to talk to,
Always there to count on,
Always there for us to play with,
Even after Teagan was born.
On the morning of December 30th, when we all got that phone call
Telling us you passed,
We lost more than just Grandma,
A part of our hearts was now gone.
We all will miss you forever Grandma,
This emptiness will never be filled.
Even though we can’t believe you’re gone,
We all know you are watching from above.
We wish you were here with us now,
Though we understand you had to move on.
We may have lost our Grandma on earth,
But we gained a guardian angel in Heaven.
We know you love us Grandma,
And forever we will love you.
May God bless you Grandma,
Because the Angel he took is You.
