“ Steve was a loyal customer for many years at Albin’s Honda. We are saddened to learn of his passing. He would often come in and talk about his daughter & grandkids and how much he enjoyed spending time with them. Steve and his infectious giggle will be dearly missed.

“ Steve was a very pure-hearted individual. Those that knew him know exactly what I'm talking about. He had a heart of gold and larger than life itself he will be so missed, May the light that he shined on others never fade, Life won't be the same without you Steve

“ Steve was my step father for over 10 years. We butted heads a lot but I have very fond memories growing up with Steve and livening in the farm. He will be surely missed.

“ I would like to send my condolences to family and friends. I had only known Steve for a short time through my sister Deanna Williams, a coworker of Steve's.

*I am just sick to hear of this news, but knowing he is with the ever-loving father, Steve will know no pain or suffering this world can offer.*

*I have to say Steve was the most giving, helpful, selfless, loving person I have ever known in my life. Always there to lend a hand and never expecting or accepting anything in return.*

*I am sorry that I did not have the time to make it over to see the beautiful flower beds that you had made and your home that you were so proud of having remodeled by your very good friend.*

*May You rest in peace sweet soul with our loving Father. ❤️🙏*

*I met Steve many years ago in Mulliken, working at a steel fabricating shop, mid 70's, I never forgot him, we worked together from time to time on various projects there, his positive attitude and the fact he first was a farmer, always made me smile, he liked to work! He was a barrel chested young man with broad shoulders, and always had a smile going on, he was a good guy. RIP!!*
