“ I found an old photo I thought the family might like of Steve Alina Wadsworth Hall, MTU in late 1974. We had both purchased Harmonica's that we planned on learning to play. The other young man was a freshman like me named Jeff Fox.

“ Steve was a good friend of mine at college. We played a lot of euchre, got drunk, played pool (well he did anyway). Steve was funny and had a great laugh. He visited me in Southern Ohio once or twice after MTU. I regretted that we didn't stay in touch so during the past several years I've tried to find him through MTU, Facebook, etc. With no luck. Unfortunately, today I found the obituary. Good friends are hard to find. Shoot (that was his name at the time) was a good one. I'm saddened to find this out. Scott Phelps, scotruth\_2000@yahoo.com.
