It is with heavy hearts that we share the passing of Susan Lynne Lawens on February 10, 2025, at the age of 79. Born on April 5, 1945 in Mount Pleasant, Michigan to the late Jack P. and Lone D. Susan also worked for the Michigan AFL-CIO HRDI for 17 years as a Program Technician.

Susan was a passionate homemaker, known for her incredible creativity and talents in cooking, sewing, crafting and scrapbooking. Her grandchildren were her shining light and pride. She loved and cherished each one deeply, pouring her heart into every moment spent with them. Susan was preceded in death by twin brother, Stephen Foster, brother Michael Foster, and special friend Mike Katauskas.

“ Sue could light up a room with her smile. She was one of those friends you could run in to after a few years apart and pick up were you left off. God Bless you dear friend. Heaven gained an angel.

“ My "sister" Susie was one of the sweetest and most devoted family moms I have ever known. Ron and I would spend a week with her in the mid 2000s and enjoyed every minute. Her kids (esp daughters, of course) were her life. I don't recall a mean thing she ever said about anyone and she was first in line to be of help. We lost a treasure. We laughed and had so much fun...esp at our casino visits! Much love, See you soon. Jamie Jamieson Kockelman (her dad and my mom were siblings so we've known each other all of our lives).

“ To the family of Sue, I send my sincere and heartfelt sympathy. Sue and I became friends when she and my brother, Mike, got together.

We remained friends after he passed. It is hard to find the words to say how much I cherished our friendship. I have such fond memories of spending time with her when she visited me in Maryland & when I was with her in Grand Ledge. We loved going to Horrocks. She helped me choose a bird bath and I helped her choose wind chimes. Through the years there was much laughter, tears, and love.

Because of Sue, I was able to meet and spend time with several of her kids and their families. I cherish those memories also.

She was a sweet, smart, funny, generous woman and I will miss her but am so grateful to have known her.

“ I first met Sue through Mike Katauskas. I had worked with Mike at Michaels. I'm so glad that I did because I was then blessed with knowing this wonderful woman. Although I haven't seen her for awhile we kept in contact with each other through Facebook and she came to a couple of events at my husband's club airfield. I will truly miss her and send all my love and prayers to her family and friends.
