Sue we will miss your great smile and your pleasant personality. The gals at GL have been so fortunate to have you to go to when we needed something for our kitchens. You were always ready to share a hug.. I was lucky enough to call you my friend.

“ Sue and I had met in high school and became friends before either of us had any children. We have been through a lot over the years and shared many, many memories, thoughts, highs and lows and as her mother used to say, "you and Judy may not talk for a while, but you pick up as if it had just been yesterday." When Michael was born she asked if he could refer to me as 'Aunt Judy'. What an honor and that led to her children calling me Aunt Judy and in turn my children called her "Aunt Sue". This is a great loss and I will miss her smile, laugh and how she could always bring me up if I was down. God bless you best friend and you will be greatly missed. Love, Judy

“ My deepest condolences to all of Sue's family. I had the pleasure of working with her for many years and was very grateful to be able to work in the same building as Sue the past couple. She always had a bright smile and cheery hello for everyone and truly took care of all of us "kitchen girls". This school year has not been the same without her! Just wanted you to know how much we all thought of Sue and appreciated all that she did for us. I will miss her every day, but will find peace in knowing that heaven gained a very special angel in Sue.

“ Way too soon to lose such a great, caring, loving mom. It will never be the same without you. I will miss you so much. Although I know you are in a better place and I will see you there someday it just doesn't seem fair. There will not be a day that goes by that I don't think of you. You're the best mom.

I Love You Mom,

Love, Your son Eric
