“ When I first met Teresa she did day care for me almost 28 years ago. I was a new mom who had to go back to work which was difficult at the time for me. I will never forget all the love kindness and compassion Teresa had taking care of my baby girl. She made going to work easy knowing my baby was taken care of by the most loving mother and person I had ever met. She and Pat at the time was also doing Foster Care and I saw how she had so much love towards children. Her compassion towards others was so incredible. Teresa had a gift of so much love and kindness that know one could ever even imagine. I always believed that Teresa was an Angel sent by God on earth. An Angel with a purpose that truly touched and helped so many people. God has gained an Angel in Heaven. My heartfelt condolences to Pat and his family. I am truly sorry for your loss. I apologize I could not make it to her service. But I wanted you to know how much Teresa meant to me during the time I knew her. God Bless.

“ My husband and I were privileged to meet Teresa through our Weight Loss program at Sparrow Hospital. She was a dynamic leader and counselor and we always looked forward to seeing her and her radiant smile. We have missed her tremendously and can only imagine the hurt and loss the family is feeling. We pray for comfort and healing for those she has left behind. We are so very grateful to have crossed paths with her, she was an amazing, caring individual and, as a result, the impact she had on us, has made us want to be better people. Heaven has welcomed a beautiful angel. RIP, Teresa. Rory and Ed Meister

“ I worked with Teresa when I worked for the Department of Education on Early On programs. My memories of Teresa are as a hard working advocate for children and families. Her own family was very important to her how ever many it entailed at the time. You will be missed by so many as you touched many in your to short lifetime.

I am sorry that I will not be able to attend her service as I am in North Dakota currently.
