“ *In the five years since my mom died it has been the small things that will remind me of her, like her roses, babies, or baseball. Our loved ones never really leave us because their spirit keeps returning with each loving memory.*

*My thoughts and prayers are with you.

“ *Pat, Vicky and family, Dick and I had the pleasure of meeting your mom this past summer. We feel as though we have known her a much longer time, she was so warm and down to earth. We enjoyed having Thelma and Pat sit us and Betty at Laurels, sharing her memories of childhood, travels, and her love of her children and grand children. And I cannot forget to mention our mutual love of the Detroit Tigers. Thank-you for sharing her with us these last few months. Thelma you are a beautiful Angel watching over everyone now.
