“ Dear Nick, Chris and Cathy,
We were sad to learn of Aunt Thelma's passing. Our hearts go out to you! With great regret we will not be able to make her memorial. Terry had surgery and has his follow up with the specialist at one. We didn't hear until late Friday and with the holiday we were unable to change. Plus this specialist takes months to get into so we probably would not have been able to change. We have many great memories with Aunt Thelma. My favorite was a Christmas morning many years ago when she and Terry were sitting on the floor laughing and having a grand time assembling the kids Christmas presents. We will be keeping you close in our thoughts and prayers at this sad time.
Hugs,
Linda and Terry Kephart

“ I enjoyed the many conversations Thelma and I had over the past 2 years , I enjoyed helping Thelma with her mail & newspaper daily and answering her many medical questions, she always had a smile and was grateful for the little things I did for her, she was a wonderful neighbor. Thelma will be missed. I send my thoughts and prayers to the family now and the days ahead. Cliff aka (Clifford Hoadley RN)
