“ Tom changed my life when he gave me a job doing what I wanted to do - work with horses. From there came a career of having the joy of teaching young riders, and two wonderful old horses that are in my backyard.

“ I'm so sorry for your loss! I remember so many times coming next door to see if Tom would come out and "play!" He would take us on the boat, swim, fish, or even if he would bring the dogs out for us to play as well. He always had a big smile and was willing to put up with us annoying neighbor kids with whatever request we came by with :)

“ *I am very proud to be the daughter of Thomas Blumberg. He was a great dad and an even greater teacher, he taught me to use tools, drive tractors and cars, ride horses, fishing, shoot a shotgun, buying my first house and so much more. I will miss him and he will always be in my heart.*
