“ *Dearest Eveleth Family.
My deepest sympathy in the loss of your Dear Dad. I so remember all the times we would play kick ball or red rover in the field. Tom would come out closet to dark and tell us all it was bedtime. I remember the special pergola. I always loved that pergola. Every Christmas I so looked forward to seeing Rudolph in your back yard being lit up. In my eyes it was truly Rudolph and Christmas was coming. I have the greatest memories of the entire family. You were all a huge part of my childhood and I always felt like we were family. I had so much respect for your Father and Mother. Fourth of July was always special to me. We would all have sparklers and light them at dusk while our parents visited. To me it was a party and oh boy we could stay up way past dark. We did not need anything but pure children play and sparklers. Those were the times of my life. I am heartbroken over the loss of your Dear Dad and wish you all love and peace.*
