“ I am so sorry for your loss. I have always had a soft spot for Uncle Butch. He is very much a part of my childhood memories. I remember how kind he was. He had a way of always making me feel important. As I become older and wasn't in touch as much as we could have been, he was always there to answer questions and to give encouragement. The best thing was e-mail. It gave my a chance to reach out and visit with him. The last time I saw him was at my wedding in 1989. It meant so much to me that he came. He will always be a smiling memory for me. Pleae remember the good things about him.##imported-begin##Kim Brokaw##imported-end##

“ I am so sorry to hear of Vance's passing ! I am just sitting here thinking of Jean and Vance being my neighbor, and how I come to know them. It has bee so long that I have heard from anyone I have been trying to get in touch with you Jean and Vance. I understand why no response. Just know, my heart is very heavy today, my thoughts are with you Jean and your family at this time of loss. I know this will be very difficult for you. My prayers are with you.##imported-begin##Nadine Bisalski##imported-end##

“ It's been a long time but I still remember those childhood days, growing up with Vance. In those days, he was Butch to us and my mom kept an eye on he and Roger while Frances worked. We were all close. I remember the time Vance wanted to be a hairdresser and my mom let him cut my hair. He actually did a fair job. So many year, so many memories. Rest well, Vance.##imported-begin##Darleen Gress-Wirt and Robert L. Gress##imported-end##
