“ *For daughter Becky and family: such a loving life given to the Lord. Becky...you sound like your mom, especially in your sending of cards. Special thoughts to your siblings and the grandkids. Saralee Howard and Jim Schultz*

*Thank you so much Saralee, it means so much to me. The Lord was very important to my mom. She did her best to show the love of Christ to others. My mom was so carefree, and didn't let the things in life get her down. She always had a smile. She was my encourager. I would have to agree, I am a lot like my my mom. I'll cherish the good memories I had with her. She has been missed for many years, due to the dementia, and will continue to be.*
