“ I've only know you a short Two years, but our feelings for each other just grew from our first visit. I will never forget one time when Wendy and I went to see you, and I walked up behind you and you seen me in your mirror. You got so excited it was hard for you to sit in your chair. Nothing can ever replace the feeling of being LOVED. Rest In Piece my dear sister. We will meet again. Wendy and I will love you for ever.

“ *This sure hurts, I shared 25 years with her in a place where we had to survive, she was my daughter and we met because of our pain in life. I know that she is in a better place, her entire life was riddled with pain and disappointment. Love you Precious I know I wasn't the best but doesn't mean I didn't love you any less.Mom*
