“ I saw a moving truck in front of your house a couple of days ago. I didn't think that would affect me but it made me very sad.

I miss you grandma!

Warm hugs Lauren. It will be so strange coming back to Michigan and not going to grandma's house.

“ When I was little I used to love dressing up in grandma's tall boots and long nightgowns. I was a movie star! Grandma got mad only when I was coming down the stairs at the house on Francis Road and she did not want me to break an ankle or neck! Anyone who knows me realizes that was a valid concern! :) Then she let me prance around like I was hot stuff. So many great memories. Lisa
