“ Mrs. Su, my name is Keturah Bouyer and Mr. Bill was a God send to my husband and I as we bought our first home. I only learned today of his passing. He was kind, encouraging, and prayerful with us as we also bought land to build our dream home. That's what he did for us (me), he helped make our desires and dreams come true. I will miss his laugh and am thankful for the 12 years of knowing him. God bless you! We will keep you lifted in prayer.

“ Su,

It just so happens that I participated in this morning's Our Savior Lutheran Church virtual church service when I heard such terrible news about Bill. I have fond memories of Bill going back 30 or 40 years from church activities including our little bible class where we met in our homes. Bill helped me sell my house there in Lansing and my vacant lot too. He was such a good guy. I'm sure this leaves a big hole in your life. I know how that feels and this news brings back those feelings of loss. A big hug from me {::}

“ We met Bill in 2002. We were newlyweds, looking for our first home. We came upon an open house for a newly built TMN home and Bill was there. He educated us about the home building process and we started to think that building might be a better choice for us than buying. Bill ended up helping us through the entire process, driving us around to look at plots of land, negotiating the best price for our land, advising us through the seemingly endless choices that had to be made and providing us with the best possible care. We really felt Bill gave us the "white glove" treatment. After 17 years in our home, we thought we might want to build again. We reached back out to Bill earlier this year. Bill was everything we remembered and more. He was again so willing to help us find the perfect plot of land and advise us on our next steps. His depth of knowledge was so reassuring.

We really feel privileged to have been able to know Bill and benefit from his life's work. We will be forever grateful for the home that he helped us build on the land that he helped us find. We are glad that we were able to reconnect with Bill just this year and have those recent memories as well. Our condolences to all those who knew and loved Bill.

“ Bill, a good friend of mine. Personal, as well as business....he, at TMN Builders, an awesome advisor to hundreds of local home buyers of TMN's wonderful newly constructed homes. I loved providing lending to his great clients. Honest as they come. Better golfer than I, and a truly knowledgeable and trusted friend. R.I.P., ole boy! Tom Spiegel.
