“ *The last time I saw Aunt Billie was at the last tent city on Uncle Paul's farm in '91(?). We stayed up late, and along with my mom and husband, David, harassed Uncle Gail & Aunt Sue in their camper. When Gail started yelling and swearing, we all took off into the corn field and ran like hell - Billie laughing her head off all the way. I think my mom peed herself! Aunt Billie was a gem, and always up for anything!* ”

*She always loved being mischievous, didn't she? I think she instigated a lot of silliness in that family...and thank goodness for that!*
